Prishtina, November 26, 2023

**Dear Professor Achenbach,**

I herewith would like to submit my application for the position of Nominating Committee of ESC in the mandate 2024-2026.

It has been a great honor to be nominated by my National Society of Cardiology for the position of the ESC Nominating Committee Member for the term 2024-26, which I accepted enthusiastically and without hesitation.

I have grown up over the last 25 years through identifying my mentors and models inside of the ESC, participating at every ESC Congress from the year 2000.

I had the opportunity to cooperate with almost all Presidents and Vice-Presidents of ESC from 2009, when our National Society of Cardiology was admitted as a full member of ESC.

Along with these cooperations I had the privilege to be the Chairman of the Organizing Committee of five National Congresses of Kosovo Society of Cardiology in cooperation with ESC and several National conferences with international participation. As a President of our National Society of Cardiology I had the opportunity to be part of several ESC meetings at Heart House and to cooperate closely with Board of ESC in different mandates.

As my continuous duties in the ESC organization imply, I have a comprehensive knowledge and understanding of ESC at all different levels that make me feel comfortable to assume the responsibility of being a ESC Member of Nominating Committee and I will always be an enthusiastic supporter and a hardworking activist of the ESC ideals to bring together all the forces and resources for joint aims and projects.

Looking forward to be honored with the nomination to become a candidate for the position of ESC Member of Nominating Committee for 2024-26, I extend my best wishes.

**Prof. dr. Gani Bajraktari, FESC**
