Personal Data privacy

The information collected in your Declaration of Interests (DOI) is subject to data processing to record and to determine whether there may be a potential conflict of interest in accordance with the « ESC Declaration and Management of Conflict of Interest Policy ».

The ESC Board has stipulated that completion of this declaration in full and submission is mandatory for all persons holding ESC positions and thus representing ESC or influencing ESC messages.

The recipients of the data are:

- ESC Management and ESC staff who handle the administration of the DOIs
- The cardiologists carrying out peer reviews of your declaration (to determine whether there may be a potential conflict of interest)
- Other cardiologists engaged on the same activities as you (e.g., those on the same Committee or Task Force) who can view your DOI
- Visitors to the ESC website: certain ESC activities / positions may require the publication of your DOI, e.g., ESC Guideline positions.
- Subcontractors in the framework of the random checks of DOIs against published sources, journal publishers in the framework of the conflict of interest management for scientific publications.

Data collected in your Declaration of Interests will be kept for 10 years. Nevertheless, guidelines and scientific publications referring to elements of your declaration may remain available for a longer period.

In accordance with the chapter 3 of the European Regulation 2016/679 with regards to data protection, you have the right to request from ESC, access to and rectification or erasure of your personal data or restriction of processing concerning your data or to object to processing as well as the right to data portability.

For such, please contact dataprivacy@escardio.org (be aware that a proof of identity will be requested during the process via a secured web link).

You have the right to lodge a complaint with a supervisory authority, and for information, ESC has appointed a Data Protection Officer that you can reach at dpo@escardio.org.
